

Sale Name: Collectors Auction - Statesboro, GA

LOT 230 - Yamasa Y-4-88 Type A Japanese Pachislo Machine

Description

This unit lights up, but is NOT in complete working condition. The coin mechanism is not feeding properly and it will errantly give error codes. Key included. Inside of cabinet shows rust and will need some attention. Works with specific tokens only and will not work with coins. [VIDEO HERE](#)

Quantity: 1
